

CiA301::Object

```
graph BT; CiA301_TPDO1[CiA301::TPDO1] --> CiA301_SDO[CiA301::SDO]; CiA301_SDO --> CiA301_Object[CiA301::Object]
```

The diagram illustrates a three-level inheritance hierarchy. At the base is the CiA301::TPDO1 object, which inherits from CiA301::SDO. In turn, CiA301::SDO inherits from the top-level CiA301::Object. Each level is represented by a rectangular box, and the relationships are indicated by upward-pointing arrows.
