The diagram illustrates a hierarchical relationship between three components. At the bottom is a box labeled 'svlOverlayImage'. Two arrows originate from the top of this box: one points to the bottom of the 'svlOverlay' box on the left, and the other points to the bottom of the 'svlOverlayInput' box on the right. This indicates that 'svlOverlayImage' is a common parent or base component for both 'svlOverlay' and 'svlOverlayInput'.
